AFTERMARKET SERVICES

02/01/2023

Per CAAC guidelines and instructions, the Arrowhead Products Repair Station has obtained temporary approval to continue all repair work for CAAC Certificate # F00100740 as described in the Arrowhead Products CAAC Maintenance Organization Manual and CAAC Capabilities List through 06/30/2023. A copy of the specific approval from Director Heping at the CAAC can be found below:

Dear Sir or Madam,

Based on CCAR145 regulation and your application for renewal approval from CAAC, the purpose of this letter is to formally inform you that CAAC agree your company continuing to provide maintenance work for Chinese customer with your present CAAC Maintenance Organization Certificate which should be expired on December 31, 2022. This temporary approval is valid until you have received any other formal approval issued by CAAC or before the day June 30, 2023, which comes earlier. Your company may release Component after the maintenance work finished during this period by this Special Approval, and the working scope is limited to the Rating specified on the MOC and latest Maintenance Capability List accepted by CAAC.

Yours Sincerely,

*LI Heping
Director
